

MONDAY-WEDNESDAY-FRIDAY  
MAY 2010

MAYFEST

Please remember our annual Mayfest which will be on Sunday afternoon, May 16 from 3:00-5:00. Each class presents a program in the church sanctuary. The Fellowship Room becomes our Ice Cream Social, complete with cakes, pies, ice cream and drinks. And of course, we will have our mini-carnival with all sorts of games our preschoolers will enjoy. We hope you will sign up to bring refreshments and to help in one of our game booths or in the kitchen. Our class will be performing in the sanctuary at 4:45. Candy bars, pop and paper products can be brought to school anytime. Ice cream may be brought the week before the Mayfest. Cakes and pies should be brought the morning of the Mayfest and put in the church kitchen. This is our only fundraiser, and all of the proceeds are used for equipment for the children. Thank you for helping us with this special day.

KINDERGARTEN VISIT

We will visit a kindergarten class sometime in May. We will need drivers for this field trip.

HAPPY JOE'S PIZZA

Our class will walk to Happy Joe's on Wednesday, May 12 to learn how to make pizza. The cost is \$3 per child. You may bring your child's money to preschool any day in May before our trip. Thanks!

DENTIST VISIT

On Monday, May 24 we will visit Dr. Hirschfelder's office to learn about what a dentist does. We will walk if the weather permits. If not, we will need drivers.

M IS FOR MOTHERS

The beginning of May we will talk about the letter M, for our Mothers and Mother's Day. We will measure ourselves to see how we have grown since last fall. We will march and talk about monsters and monkeys.

D IS FOR DAD AND DINOSAURS

Next we will talk about our Dads, do dot-to-dot activities and be dinosaurs. We might even go on a dinosaur bone dig! Anthony's dad will bring a dump truck for us to see.

X, Y AND Z

X, y and z will be our last letters. We will talk about x-rays, yellow and zebras.

SHOW AND TELL

May 7---something that your mother likes

May 14---something that begins with D.

May 21---something that begins with X, Y or Z

LIBRARY BOOKS

We will check out library books through the 21 of May. After that time, we ask that the children bring back their books so that we may repair them and pack them away for the summer.

END OF SCHOOL

Our last day of school will be Friday, May 28. We have had a wonderful year. Please remember that you have already paid for May's tuition. Thank you for sharing your children with us for this year!
