

MONDAY, WEDNESDAY, FRIDAY CLASS NOVEMBER 2008

### NATIVE AMERICAN CULTURE

During the month of November we will be working on our Native American unit. We will play authentic Native American games, learn Indian songs and dances and eat Indian foods. We will use our patterning skills to design Native American necklaces. We will use some of our cooking skills as we make our Indian food. There are lots of rhythms and listening skills to be learned during this month. Each one of us will be making a Native American headband, and each child must earn the feathers to decorate it during this unit of study. Of course the letter I will be covered this month.

### POWWOW

Our Pow Wow will be held on Friday, November 21 at 2:00. Our families are invited to gather with us to see what we have learned about the Native American culture at the time of the first Thanksgiving. Everyone is welcome.

### NO SCHOOL

There will be no school on Monday, November 10 in honor of Veteran's Day.  
There will be no school on Thursday, November 27 or Friday, November 28 in observance of Thanksgiving.

### SHOW AND TELL

We will have show and tell as listed below:

- Nov. 7            Something interesting
- Nov. 14         Something for Thanksgiving

### FOOD PANTRY    LET US BE THANKFUL

It has become a tradition at our preschool to bring an item for the Geneseo Food Pantry as we study about Thanksgiving. We have been asked to bring any items that can be used to make Christmas cookies or other special Christmas treats. Children may bring their food donation to preschool anytime between November 17 and November 21. Our class plans to deliver these items to the food pantry. This is a special fieldtrip for us and carries the meaning of Thanksgiving to the hearts of our students. We hope that you can contribute an item for our children to give to this needy cause.

Pizza Hut fundraising day this month is Thursday, November 13.
